

Changes Since January 11, 2006

eSubmission Training

- Timeline – R01s moved to February 2007
- Application receipt deadline - changed to 5:00pm local time for the applicant institution effective April 1.
- Revised SF 424 (R&R) Application Guide - released April 7, 2006.
- Verification requirement changed – new institutional assurance requirement eliminates need for signing official and PI to take action to verify application image – we **STRONGLY** recommend that the PI or SO review the image in the Commons. The SO has authority to reject and submit a changed/corrected application. New process effective May 10.
